You have enjoyed that wonderful Thanksgiving dinner and now you are looking forward to Christmas. However, you are probably wondering what to give that special someone in your life to let them know how much they mean to you. Well, some little elves have dropped a hint about an innovative gift to consider. We are introducing our new skin rejuvenation machine, DermaSweep MD, in this newsletter. Please read along to see if this might be the perfect gift for yourself or your loved one. We look forward to helping you.

Seasons Greetings,

Angela Bowers, MD

Jennifer Aranda, MD

Beth Jouett, PA-C

Staff: Lori, Lea, Darlene, Nancy, Kay, Billita, Pam, Durenda, LeAnn, Debbie, Cindy, Wanda, Jenny and Christan.

DermaSweep MD

Multi-Level Skin Resurfacing System

DermaSweep MD is replacing microdermabrasion as a minimally invasive treatment in skin rejuvenation. Rather than blasting particles on the skin, brush exfoliation is combined with topical solutions (such as salicylic or hyaluronic acid) and suction to remove dead skin cells. The treatment is more precise and comfortable allowing you to resume normal activities on the same day. Your skin will be instantly smoother and have a more vibrant glow after the first treatment. You can see the debris removed on the filter as shown in the picture below. More significant results will occur with a series of 4-6 treatments or combined with a chemical peel or FotoFacial/IPL. We are offering a holiday special of 4 treatments for \$600 (savings of \$100) which will include a tailor-selected infusion mixture. Call today or forward this email to let Santa know where to pick up your gift certificate.

Botox & Product Special this FRIDAY

10% discount 10% donated

We are helping raise funds for Johnson Elementary (across the street) to build an exercise track for the kids. We have blocked time to accommodate this fundraiser so call and schedule today. 817-251-6500.

Our product reps will be present with goodies to disperse as well as coffee and treats. Complimentary consultations available with our staff all morning. We are taking 10% off total purchase of Botox and products for patients and then donating another 10% to the school.

Gift Certificates available

We do offer gift certificates for your holiday gift giving. For certificates purchased worth \$300 or more you will receive a very elegant Peacock Alley glacier blue travel pillow already packaged in a festive bag- ready to go. Call ahead and we will have yours waiting for quick pickup.

Remember that even though it is starting to feel wintery outside you still need to apply your daily sunscreen. For dry itchy skin, our favorite over the counter moisturizer is [Cera Ve](#).

Cheerfully,

Southlake Dermatology
