

Greetings!

We want to extend an invitation to our Cosmetic Seminar scheduled for Thursday, September 28, 2006 from 5:30 to 8:00PM. We will be featuring Fraxel and Eyes by Thermage as well as our tried and true products and procedures. It will be an excellent time to talk with company representatives and hear about the latest developments for skin care.

Additionally, we will be giving door prizes along with samples of products. You don't want to miss the opportunity to put your name in the hat for those door prizes. We will have specials that will be good on the day of the seminar. So, if you cannot attend, send a friend or relative so that you do not miss out. Visia photos, skin care advice and overviews on the latest dermatologic procedure will be available to everyone attending. So, invite a friend and join us for a fun evening at our new location at 1170 North Carroll Avenue in Southlake.

RSVP to 817-251-6500, X103 so that we will have plenty of appetizers from Blue Mesa Grill.

We look forward to seeing you on the 28th.
